MEMORANDUM FOR: Acting Deputy Director (Administration)

SUBJECT: Retired Military Officers On Duty in CIA  
as of 30 June 1954

1. In accordance with your request, the attached rosters list officers, both regular and reserve who were retired from military service for longevity and disability and were on duty as staff employees as of 30 June 1954. These rosters are based on a review of accessible official personnel folders and include those individuals who have themselves indicated that they are retired from military service. Separate lists have been prepared for those retired for longevity (P.L. 53 incumbents), combat disability and non-combat disability.

2. True name rosters of staff agent and contract personnel who are retired from military service are being forwarded separately.
